- Business Owner or their Representative will receive a detailed email with all information and photographs collected.
- Complete exterior and entry into the premise to determine the cause of the alarm.
- Reset the alarm and secure the premise.

TEMPORARY REPAIRS

- \$200 + Materials, Milage and Time
- This cost is based on a simple fix such as screwing a sheet of plywood over a broken window or kicked in doorway. If the damage is extensive the client will be notified as to their wishes. NEWSCAPES SECURITY can recommend qualified contractors to complete permanent repairs.
